INSIDE VOICES

WE ARE FAMILY

We are **INSIDE VOICES PARIS**, a 40 strong a cappella choir with a repertoire of soul, pop, gospel, and funky. In this, our first album, "We Are Family", we share with you some **IVP** classics as well as some new arrangements, all with the **IVP** touch! Our aim: to communicate our love for singing and music with a message of peace, love, friendship, harmony, unity and good vibes. We hope you enjoy the **IVP** experience!

Well here it is, at last, the **IVP** album! Many of the arrangements and ideas for this project have travelled with me since teaching in WAC in London, through the wonder years in Madrid with the original **INSIDE VOICES** and now, finally they have been brought to life in this album with the magnificent members of **INSIDE VOICES PARIS, 2017 - 2018**. I love you guys!!

I wanna thank all members of **INSIDE VOICES**, both in Paris and Madrid, past and present (and future!). And also my family (or should I say "families") and friends in London, Madrid and Paris. In many different ways, you have all contributed to the concept and evolution of **IVP** as it is today and have given me the motivation and inspiration to see this project come to light! May the **IVP** force be with you all and always!

Love and hugs

Sheilah
